LONDON, E.C.

MARBLE CHIMNEY PIECES

OF ENGLISH AND FOREIGN MANUFACTURE

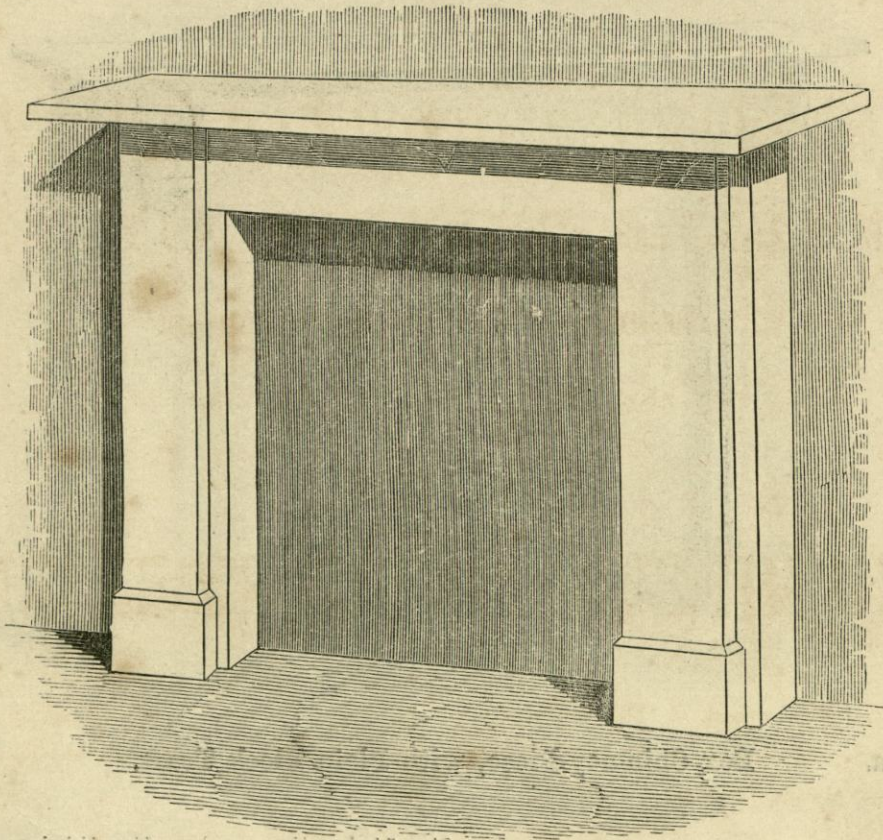

ARE SUPPLIED IN VERY GREAT VARIETY.

ONCE or twice every week fresh parcels of New and Attractive Goods arrive from the best makers on the Continent, and the Stock is continually enriched by New Designs from other sources.

The extent of the Importations gives great advantage in purchasing in the Foreign Markets, and affords the means of selecting Goods from the best models and most approved Marbles.

The attention of Marble Masons is especially invited, as they could not procure Chimneys in small quantities direct from the Foreign Works so advantageously as from the large Importer, who takes nearly the whole produce of many workshops.

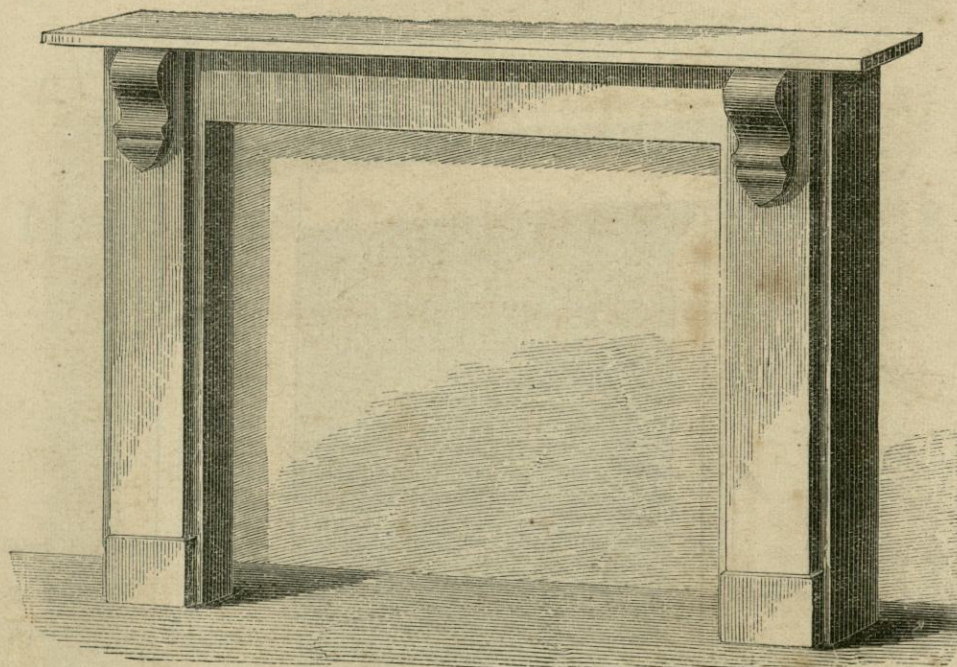

The following few Designs are merely offered as specimens of some of the patterns most in demand. Engravings or Pencil Sketches will be gladly furnished, if a description be given of the style and value required.
